MTC Okie Cup

New in 2017 is the MTC Okie Cup. This is a Ryder Cup style event where all MTC tournaments will count as points toward the season race to qualify for the MTC Okie Cup team. Players will receive 10 points for every MTC event they participate in and additional bonus points for MTC events that they place in. At the end of the season the top 10 on the MTC Okie Cup race will qualify for the team. In the event of a tie we will have a sudden death horserace to determine the winner. The golf professionals will play and captain the teams the team draft will be on the evening of August 12th at 6pm. All players will receive team uniforms in addition to meals and some beverages during the Okie Cup weekend. Format for the event will be Saturday: Fourball, Foursomes and Singles on Sunday. I encourage everyone to play in the MTC events and try to qualify for the 2017 Okie Cup it is going to be a blast! The Okie Cup will be October 21-22.
