CLUB

SPRING MEMBERSHIP PROMOTION

(Good for Golf, Non-Resident, Junior, Senior, Social, or Social Youth Memberships)

Have you ever thought about joining Muskogee Golf Club but have never found the right time? Now is your chance! New in 2018 is our spring promotion program that lets you join in March or April with the first and last month free. That means if you join today you won't pay dues in March 2018 or February 2019. If that's not a good enough reason, for a limited time only, if you join in March or April and sign a two year agreement we're waiving the initiation fees.

So let's get this straight, start today and you won't pay anything until April. Then the last month of your first year is free too. Can't beat that! Additional limitations are listed below and see the reverse side for our schedule of dues and fees.

Sponsors Credit: At the time of the agreement, each new member may designate one sponsor that will receive a credit of \$100.00.

Prior members: Resigned members may not be eligible for this promotion. Please contact Tony Collins, PGA for questions or concerns.

Early Termination: In the event that I resign my membership prior to the completion of my agreement, I understand that I will be subject to repay all discounted dues and fees along with a \$100.00 early termination fee. All dues and fees are subject to applicable taxes. Additionally, the new member will not be allowed to renew their membership within the next 365 days.
